## **BARANGAY DISASTER RISK REDUCTION AND MANAGEMENT PLAN**

**CY 2014**

### **INTRODUCTION :**

RA 2011, otherwise known as Philippines Disaster Risk Reduction and Management Act of 2011. Call for the strengthening of the Philippine Disaster Risk Reduction and Management System at all government level. As the prime implementor of disaster management program at the local government level, the local government Unit of Barangay San Isidro, Hagonoy, Davao del Sur with its BDRRMC, participated in by the Private Sector and Civil Society Organization has prepared this Barangay Disaster Risk Reduction Management Plan to built a mechanism that will strengthen the capacity of the LGU and adopt specific measures in preparing, reducing disaster risk and to manage disaster impacts.

Under Rule 18, Section 1, of RA 10121, the present local calamity fund shall henceforth be known as the local the Local Disaster Risk Reduction and Management Fund (LDRRMF). Not less than five percent (5%) of the estimated revenue from regular sources shall be set aside as the LDRRMF to support disaster risk management activities such as but not limited to pre-disaster preparedness programs including training, purchasing life-saving rescue equipment, supplies and medicines for post disaster activities and for the payment of premiums as calamity insurance and construction of evacuation centers.

For the year 2014,H 5% BDRRM fund is P64,064.60. In order to facilitate expenditures thereby making it operative, proper observance of the mandate of financial requirements utilization do hereby known as follows:

1. Financial Requirement Utilization of 70% BDRRM Fund, FY-2014:

The utilization of the 70% BDRRM Fund comprises the following programs: 1. Mitigation 2. Preparedness 3. rehabilitation. The total amount appropriated for these programs is P44,845.00.
